SPECIAL NOTICES.

Disease of the Liver--When the celebrated Dr. Bush declared that drunkeness was a disease, he enunciated a truth which the experience and observation of medical men is every day confirming. The many apparently one excesses of those who indulge in the use of spiritous liquors, may be thus accounted for. The true cause of conduct, which is taken for infatuation, is very frequently a seased state of the Liver. No organ in the human sysem, when deranged, produces a more frightful catalogue of diseases. And if, instead of applying remedies to the manifestations of disease, as is too often the case, physicians would prescribe with a view to the original use, fewer deaths would result from disenses induced by a deranged state of the Liver. Three-fourths of the discases conmerated under the head of Consemption, have their

seat in a diseased Liver. (See Dr. Gunn's great works.) Indigestion, stoppage of the Mensor, Conferences, and gene ral irregularity in the action of the Boscels, are diseases originating in the same prolific cause, as is also that dreadful fright experienced by a report that the steamer scourge DYSPEPSIA. Those who are afflicted with any Baltimore, on which her husband had embarked, of the above enumerated diseases, may rest assured that the source of their maladies is the Liver; and for its correction, the best remedy ever offered to the public is Dr. M'Lanes' RICHARD HENRY Law, Esq., one of the edi-1-67 For sale at all the principal Drug Stores in Nashville

R. R. R. Miraculous Cures. - People wonder at the quick efficacy of the R. R. R. Remedies in stopping pain, removing its causes, and caring the most obstinate complaints. Yet there is no mystery in it-there is nothing utiraculous about it. True, until the R. R. R. Remedies the most violent Cramps of Cholera, Neuralgia, Spasms, &c., in a few minutes. Radway's Ready Relief will stop pain instantly, because it produces a counteraction upon the parts where pain is felt. If the patient suffers from counter irritation, invigorates the nerves, and imparts vitality to the parts where pain is experienced. The action of the Relief is quick, and the very moment it is applied, it begins to counteract the effects produced by diseased action. If you are the victim of Cholera, it acts instantlytaken internally, it settles the stomach and allays all painful irritation and sickness, it infuses heat into the blood, and its warm and healthful influence thrills through every portion of the body; it NEUTRALIZES THE POISONOUS MALARIA OF CHOLERA AND CHECKS ITS PRO-GRESS. Applied externally, it allays Cramps and Spasms, and restores the cold-cramped and almost lifeless victim, to life and health. If you are troubled with Sick Headache, breath fragrantly; externally, it will produce a counter action on the scalp and refresh the senses. This, then, is all the mystery about the action of R. R. Relief. it does not lie in the action of the Relief, but in the science of its cheminer upon the blood, and the diseased deposits, renovating and resolving away from the system all scrofulous humors

GRAEFENBERG CHILDREN'S PANACEA. A MOST strunge and irreconcilable fact meets us at the very threshold of our remarks on this valuable medicine. It is this:—that no medical preparation adapted to the various diseases of children and youth, has ever been offered to the public, while at the same time it is established ty the root accurate tables of mortality that one half the ke-men founds due before conclude the age of five years? We should surpose that to this great class of human suf-ferers—this one, all of the race—the most auxicus and ear-nest attention would have been given; that medical skill would have been taxed to its utmost capacity to find out a medicine to which mothers and nurses might resort under the constantly recurring necessities which present them-selves in this councilon. The world is literally crowded with medicines for colods, but towards the sufferings of chil-dren no one has seemed to turn proper attention. No one has reported their condition. No one has seemed to think it poss ble that the ravages of disease and death among them might be stayed. It is true that there are numerons Vering to a report of the Steamboat Inspectors for the minges and Cordials of some value, but none of these is cominges and coordinates as some carrier on none or these is comined exclusively to one or two forms of disease. The Gracfonberg Children's Panacsa is the only medicine extant

H. G. FARRELL'S CELEBRATED ARABIAN LINIMENT

TRIUMPHANT OVER DISEASE.

THIS celebrated medicine, skillfully composed as it is at the most healing balsams and penetrating oils, can never fail to cure almost every affliction that coffid be alleviated by an external remedy. Its superiority over all other laminents is proven by the miraculous cures it performs, and by the great and conetantly increasing demand. There has been sold within the past year more than THREE MILLIONS OF BOOTLES, and there can be but few persons found who do not bestow upon it the highest praise for the rare virtues it possesses. Nothing, perhaps, since the creation of the world, has been so successful as an external remedy for all nervous diseases, as this wonderful curative. When applied, it instantaneously diffuses itself through the whole system, soothing the irritated nerves, alaying the most intense pains, and creating a most delightful sensation. Read the following remarkable cure, which can be attested to by hundreds who were fully acquainted with the whole circumstance. TRIUMPHANT OVER DISEASE.

CHRONIC ENLARGEMENT OF THE TONSILS. My daughter, when six months old, was taken with a swelling in the tonails, which grew larger and larger, till when six years old she had great difficulty in swallowing her food. Every night watch was kept, fearing she would sufficulte. The best doctors attended her but could give no relief. I took her to the most eminent doctors in the East; they said there was no help for her but to outgrow it. With a sad heart I returned home with her, when she became so much worse that the doctors had to be called in again; they decided that the tonails must be cut off, as the only means decided that the tonsils must be cut off, as the only decided that the tonsils must be cut off, as the only means of giving relief. My wife would not consent to this, and she determined to try your Liniment, which gave relief the very first application, and by a continued use she entirely recovered. She is now ten years old and fleshy and bealthy as could be desired. Your Liniment is also the best in use for sprains, bruises, cuts, burns, headache, etc., and it will remove the most severe pains in a few minutes. It also cured caked unnder in my cow in a few days.

Look out for Counterfeita! Look out for Counterfeits!

The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Limiment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G.
